

19 November 1959

Lakehead Amateur Radio Club

General Monthly meeting held in the Civil Defence Building, Fort William.

Roll call showed 11 members and visitors.

Minutes of the previous meeting read by the Secretary, Frank Start - VE3AJ. Adopted as read by move of Bill Blennerhassett - VE3AGA, seconded by George Lord - VE3BYG.

A report on the two meter project given by Frank Start - VE3AJ with a call to members to turn out on Work Nights and complete the equipment now under construction.

Regarding the Restricted Radiotelephone Operators Certificates, George Lord - VE3BYG has passed his exam for this certificate but a request has been made by Paul Werk that no further exams of this nature be arranged pending re-arrangements now being made in Ottawa.

The position of George Lord - VE3BYG as Civil Defence Liaison office is to be clarified by the President, Harold Dow - VE3DBI, and a report made at an early meeting.

The Interference Committee. Proposed by George Lord - VE3BYG, Bert Lambert - VE3BKY, Harry Stephens - VE3AIT and Bill Roberts - VE3ARN. George Lord - VE3BYG read a letter received from the A.R.R.L. on the subject of TVI. More information on the subject is to be on hand later. A general discussion then followed on various TVI problems.

A technical paper on Impedances in AC circuits was then given by George Lord - VE3BYG.

A discussion on a Ladies Night was commenced but on account of the wide divergence of opinion, it was proposed by Harry Stephens - VE3AIT and seconded by Bill Blennerhassett - VE3AGA that a committee be formed to investigate the desirability or otherwise of such a gathering.

Meeting adjourned on motion of George Lord - VE3BYG, seconded by Bill Blennerhassett - VE3AGA.

On hand:

Harold Dow - VE3DBI,
Frank Start - VE3AJ,
Harry Stephens - VE3AIT,
